

3' x 8' Banners

3' x 8' Banners are made of strong 8 mil. white polyethylene material, printed with UV fade resistant inks. Edges are hemmed and reinforced. Nylon loops are sewn into all four corners to allow for different mounting configurations, such as bungee cords. *SELECTED banners are also available in HEAVY-DUTY 10 mil. tear resistant material that will not RIP or TEAR when properly mounted. The new super strong material is cross-woven to resist ripping or tearing when punctured or stressed.
